

Buy Smart. Sell Easy.

The Difference is Us

TRG is one of the largest buyers and sellers of data collection equipment.

With TRG, you gain access to an extensive inventory of new and refurbished data collection equipment, mobile devices and barcode printers. Each piece of equipment purchased is covered by the most extensive warranty in the industry. All equipment is rigorously tested to ensure it's ready for implementation when it reaches your location.

As one of the largest buyers of pre-owned barcode and data collection equipment, TRG makes selling easy. We will purchase your end-of-life or surplus equipment for cash.

Our extensive inventory of data collection equipment, mobile devices and barcode printers includes:

- **New Equipment.** The latest cutting edge technology.
- **Refurbished Equipment.** We guarantee with a warranty and back up with post-sale service. Our technicians test every unit prior to shipment to your facility.
- **Trade-In and Buy-Back.** You can continue to upgrade your technology environment and earn cash back from your original investment.
- **Rentals.** You may fill an equipment gap or fulfill seasonal IT hardware needs. We offer short and long-term rentals, and our rent-to-own program gives you the financial flexibility to try before you buy.
- **Remarketing.** TRG offers our customers options that allow for the sale of your end-of-life equipment. We work with our extensive network of customers and business partners to access the value of your obsolete equipment.
- **Data Collection.** TRG is a trusted resource for handheld and wireless barcode scanning devices. We support these and other brands:

- Axiom
